TRANSACTIONS OF THE

ROYAL SOCIETY OF SOUTH AUSTRALIA INC.

CONTENTS, VOL. 118, 1994

PARTS 1 & 2, 31 MAY, 1994

Williams, W. D. Climate change and its implications for South Australia – introductory remarks 1

Schwerdtfeger, P. A brief overview of climate research - - - - - - 3

Allan, R. J. Modelling climatic change and variability - - - - - - 9

Williams, M. A. J. Some implications of past climatic changes in Australia - - - 17

Fitzpatrick, R. W. & Wright, M. J. Climate change and its implications for South Australian soils - - - - - - - - - - - - - - 27

Bates, B. W., Charles, S. P., Sumner, N. R. & Fleming, P. M. Climate change and its hydrological implications for South Australia - - - - - - 35

Harvey, N. & Belperio, A. P. Implications of climate change for the South Australian coastline 45

Tyler, M. J. Climatic change and its implications for the amphibian fauna - - - 53

Stott, P. Climate change and its implications for the terrestrial vertebrate fauna - - 59

Boardman, R. Some possible effects of climate change on vegetation - - - - 69

Burns, M. E. & Walsh, C. The economic implications of climate change - - - 83

McMichael, A. J. & Beers, M. Y. Climate change and human population health: global and South Australian perspectives - - - - - - - - 91

Thumlert, T. A. & Austin, A. D. Biology of *Phylacteophaga froggatti* Riek (Hymenoptera: Pergidae) and its parasitoids in South Australia - - - 99

Bayliss, D. E. Description of three new barnacles of the genus *Elminius* (Cirripedia: Thoracica) from South Australia, with a key to species of the Elminiinae - - 115

Lange, R. T., Lay, B. G. & Tynan, R. W. Evaluation of extensive arid rangelands: the land condition index (LCI) - - - - - - - - - - 125

Prideaux, G. J. A small sthenurine kangaroo from a Pleistocene cave deposit, Nullarbor Plain, Western Australia - - - - - - - - - - 133

Zbik, M. The Cook 007 meteorite: a new H4 chondrite from South Australia - - 139

Brief Communieations:

Read, J. L. A major range extension and new ecological data on *Oxyuranus microlepidotus* (Reptilia: Elapidae) - - - - - - - - - - 143

Walker, S. J. Growth in the Australian burrowing frog, *Cyclorana australis* (Gray) (Anura: Leptodactylidae) - - - - - - - - - - 147

PARTS 3 & 4, 30 NOVEMBER, 1994

Davies, M. & Watson, G. F. Morphology and reproductive biology of *Limnodynastes salmini, L. convexiusculus* and *Megistolotis lignarius* (Anura: Leptodactylidae: Limnodynastinae) - - - - - - - - - - - 149

Rounsevell, D. E., Ziegeler, D., Brown, P. B., Davies, M. & Littlejohn, M. J. A new genus and species of frog (Anura: Leptodactylidae: Myobatrachinae) from southern Tasmania - - - - - - - - - - - 171

Pamment, D., Beveridge, I. & Gasser, R. B. The distribution of nematode parasites within the stomach of the western grey kangaroo, *Macropus fuliginosus* - 187

Ainslie, R. C., Johnston, D. A. & Offler, E. W. Growth of the seagrass *Posidonia sinuosa* Cambridge *et* Kuo at locations near to, and remote from, a power station thermal outfall in northern Spencer Gulf, South Australia - - - 197

Molsher, R. L., Geddes, M. C. & Paton, D. C. Population and reproductive ecology of the small-mouthed hardyhead *Atherinosoma microstoma* (Günther) (Pisces: Atherinidae) along a salinity gradient in the Coorong, South Australia - - - - - - - - - - - - - 207

Hutchinson, M. N., Milne, T. & Croft, T. Redescription and ecological notes on the pygmy bluetongue, *Tiliqua adelaidensis* (Squamata: Scincidae) - - - 217

Fuller, M. K. & Jenkins, R. J. F. *Moorowipora chamberensis,* a coral from the early Cambrian Moorowie Formation, Flinders Ranges, South Australia - - - 227

Peterson, M., Shea, G. M., Johnston, G. R. & Miller, B. Notes on the morphology and biology of *Ctenophorus mckenziei* (Storr, 1981) (Squamata: Agamidae) - - - - - - - - - - - - - 237

McKillup, S. C. & McKillup, R. V. Reproduction and growth of the smooth pebble crab *Philyra laevis* (Bell 1855) at two sites in South Australia during 1990-91 - - - - - - - - - - - - - - 245

Olsen, A. M. The history of the development of the Pacific oyster, *Crassostrea gigas* (Thunberg) industry in South Australia - - - - - - - - - 253

Bird, A. F. & Yeates, G. W. Studies on *Aprutides guidettii* (Nematoda: Seinuridae) isolated from soil at Northfield, South Australia - - - - - - - 261

Brief Communication:

Tyler, M. J., Davies, M., Watson, G. F. The hylid frog *Litoria alboguttata* (Günther) in the Northern Territory - - - - - - - - - - 267
